Provincial Chapters Agree To Action on B.C. Problems

WINNIPEG—The second national conference of the Japanese Canadian Citizens Association held in Winnipeg March 26 to 29, achieved an important task of bringing the provincial chapters into common agreement on all of the principal issues.

A striking development of the conference was the definite realization among delegates that the problems of Crown Timber and Elections Act now faced in B.C. were matters of national concern. A unanimous decision was reached by the conference to send the executive secretary George Tanaka to B.C. immediately following the conference to devote his full time on the problems for six weeks to two months.

Mr. Tanaka left by the C.P.R. for the B.C. chapter's headquarters in Greenwood on March 30.

Tom Shoyama of Regina, who acted as chairman of the Conference, was enthusiastically chosen president of the national council, replacing Roger Obata.

Hiroshi Rosie Okuda of Montreal was re-elected treasurer of the national council, Edward Ide of Ontario was elected first vice-president, and Anthony Kobayashi of B.C. was elected 2nd vice-president.

Jack T. Oki, Henry Ide, and Kunio Shimizu were recommended in that order for chairman of the national executive committee.

Nominated to the national executive committee were (from the Isseis): S. Shinobu, S. Sasaki, T. Kameoka, Rev. K. Shimizu, O. Onishi, I. Uchida, K. Nakai, T. Umezuki, I. Kawajiri, E. Nishioka, T. Sakamoto; and (from the Niseis) Rev. T. Tsuji, Henry Ide, Norah Fujita, Jin Ide, Kinzie Tanaka, Tom Sagara, E. Yamanaka, Kunio Hidaka, Shizuo Matsuba, Bill Naruse, Harry Kondo, Harry Shibuya, Mickey Sato, Kunio Shimizu, Hide Hyodo, Pete Yamada, Jack Oki and Kasey Oyama.

The national executive committee will consist of all of the above members who will be able to act on that body.

The delegates also came to decision on the following matters:

1. To send a protest to the B.C. government for its discriminatory stand on the Japanese Canadians.

2. To endorse the campaigns for a fair employment practices act and the bill of rights.

3. To give consideration to the problem of having the property loss term of reference widened.

The conference adopted a $8,750 national budget of which a sizeable portion was to be earmarked as special assistance to the B.C. JCCA chapter.

The date of the national conference was tentatively set for the end of November, 1949, in Lethbridge, subject to the ratification of the Alberta chapter.

Many Problems

The vexatious problem of provincial autonomy was settled by a clarification from the officers of the national headquarters that the provinces in fact had virtual autonomy since they could carry on their programs as long as they were not in opposition to the constitution.

Also clarified was the fact that the budget assessment would not be imposed on a provincial chapter simply by the majority vote of the other provinces. The surplus funds accumulated at the national headquarters would be subject to control of the national council, it was decided.

The Chapter System

Due to strong opposition from western provinces, the true chapter system was not given much consideration during the conference. However, a resolution was passed urging that efforts be continued toward the establishment of a true chapter system at a future date.

The earlier differences in views chiefly on the constitution and the size of the national budget were smoothed out after a series of caucus meetings and heated off-the-record sessions which left the delegates with practically no time for relaxation during the four days

National JCCA Sends Tanaka To B.C.

WINNIPEG—The fight against British Columbia's Crown Timber Act restrictions and the denial of franchise is next on the program of national executive secretary George Tanaka. Tanaka left Winnipeg Tuesday night, March 30, for Greenwood, B.C., to confer with B.C. JCCA officials before joining Hides Onotera and Jiro Miyasawa of the B.C. group in their representations to Victoria and Vancouver.

Tanaka's trip to B.C. was requested by the B.C. delegation to the national JCCA conference and approved by the conference during its sessions because it was considered that these B.C. problems were of national importance to Japanese Canadians. Since the B.C. elections act is being discussed by the legislature at this present time, the executive secretary's immediate trip was proposed as a special emergency.

According to the Vancouver Daily Province on March 24, a move by elections act committee member Harold Winch, CCF leader, to widen the electoral qualifications to include Japanese and other minorities was defeated by the committee, 5-2. It is planned to attempt the removal of franchise restrictions again when the bill comes before the legislature.

Tanaka is also to aid in the campaign for the abolition of the restrictive clause in the Crown Timber Act which will be discussed by the House.

Starting tentatively in mid-April, the national executive secretary will spend some weeks making a tour of various B.C. centres in conjunction with the plans of the B.C. JCCA headquarters.

Retaining Controls to Prevent Back-to-Coast Move: MacNamara

HAMILTON—The possibility that the lifting of controls may start a back-to-the-coast movement was given by the government for retaining its present movement restriction in a letter received by the Sophy-Ed Club from Arthur MacNamara, deputy minister of labor.

The Nisei organization of the local Y.M.C.A. had sent letters requesting the discontinuance of the measures to the Prime Minister and the Minister of Justice.

It is generally agreed, stated Mr MacNamara's letter, that the program which the government carried out for the relocation of persons of the Japanese race across Canada has operated in the national interest and in the interest of the Japanese themselves. There is every indication that the difficulties which existed over many years because of the concentration of persons of Japanese race in the coastal area of British Columbia will soon be a thing of the past.

It would be unfortunate, the letter continues, if there was a precipitate return to the coast of a number of Japanese in the near future, as this would probably serve to resurrect unfortunate antagonisms which are rapidly disappearing.

The deputy minister added that there was the consideration that the immediate dropping of all controls might have an unsettling effect on a number of those who have established themselves in other parts of Canada," and that the retention of controls "for a further limited period of time" would be desirable.

Unity Is Achieved

The real achievement of the second national conference of the Japanese Canadian Citizens Association is not to be found in the many fine resolutions which were passed during the conference but in the fact that a clear understanding was reached among the various provinces, dispelling preconceived assumptions, and a national organization was formed fully capable of fulfilling the principle set forth in the constitution preamble.

The preamble declares: "This national organization is formed with the primary aim to enable Japanese Canadian organizations throughout Canada to work together as a unified whole and undertake collective action for the betterment of the political, social, moral and economic welfare of Canadians of Japanese ancestry."

Before the conference, there was no real unity among the various provincial organizations which were perhaps too much preoccupied with their own special problems and viewpoints and somewhat suspicious of the national headquarters. But after four days of working together, trying to understand each others problems, and striving to reach a common ground through compromise, a working unity has been forged, not only on the organizational plane, but in the practical understanding of the diversity of difficulties faced in each of the provinces.

Much of the differences between the various provincial delegations arose from the lack of clear understanding of the type of organization proposed in the National JCCA.

For example, the insistence on provincial autonomy was one of the chief issues in the early part of the conference. This difficulty was resolved when it was clearly understood that each provincial chapter did in fact possess virtual autonomy and that it was in no danger of being dictated to from the national headquarters, that the basis of any mutual undertaking was co-operation rather than central control.

Similarly, the fear that a heavy budget would be imposed on any provincial chapter was dispelled when it was clarified that no provincial chapter would be asked to bear a burden which it was unwilling or felt unable to assume.

The adoption of a true chapter system—extending into the local organizations—never got beyond the proposal stage because the western provinces felt that an attempt to carry out such a system would run into too many practical difficulties and opposition, and that however desirable, the system could not be adopted at this time.

The question of whether non-Canadians should be allowed to become members of the organization arose only incidental to the question of whether there should be any citizenship qualification in the elective officers of the national organization.

At first any attempt to "discriminate" against any section of the Japanese Canadian public was vigorously opposed by certain provinces. Their criticism was not directed against the principle of citizenship but was presented in view of the serious opposition and misunderstanding that such a stipulation would evoke from a section of the Issei population. Here again, after much discussion, a compromise was achieved whereby it was clearly understood that the citizenship qualification for "elective" positions would not rule out non-Canadian citizens from becoming members of the organization or of the Natinal Council or the National Executive Committee.

The conference has served to demonstrate clearly that there can be understanding between the separate provinces and between the Isseis and Niseis, but it has also shown that the thread of understanding can easily be broken unless all groups show a co-operative attitude, especially in the early stages of the organization.

The conference has emphasized, too, that there is a great need for education of the Japanese Canadians themselves—the very need, it may be noted, that was stressed by the guest speaker, Dr. Sakada.

The unity achieved at the conference was the result of exceptionally able work done by all of the provincial delegates. It is hoped that all Japanese Canadian organizations will come to the support of the JCCA, for it is clear that with their support, the National JCCA can do much to solve the many problems which lie in the way of complete Japanese Canadian integration into Canadian life.

Readers' Forum

Editor, The New Canadian:

Inasmuch as your editorial, "What Kind of Organization?" printed in your March 20th issue, suggests that the Japanese American Citizens League (JACL) is neither a popular nor a representative organization, we would like to submit the following comments for the information of your readers:

(1) JACL's membership at the moment is close to 10,000, and increasing daily, with almost 60 chapters in 22 states and the District of Columbia. It is the most representative of any Japanese or Japanese American organization in history. On the basis of per capita population, probably more eligible Japanese Americans support the JACL than any other minority in the United States supports comparable associations. For the eligible membership is not 120,000 as suggested in your editorial, but something like 30 to 35 thousand at the most. The 120,000 figure you quoted is the total Japanese population in the United States, Issei, Nisei and Sansei.

(2) While the JACL membership figures may not be as large as they might be, there can be little question that no other organization in the history of the Japanese people in America enjoys more popular support. This is evidenced in the fact that practically every adult Issei or Nisei in the United States has contributed to our organization in a financial way, which is the most substantial kind of support, for the past several years. Certainly even the Japanese associations of pre-war days did not enjoy the general confidence and popularity that the JACL commands today.

(3) Because of our naturalization and other laws, JACL has limited its membership to citizens. By so doing, we believe that we can better serve and represent all persons of Japanese ancestry in the United States. For as a citizen group, we have a right to demand equality of treatment and consideration of our government. The Japanese national is still an "enemy alien" in this country; and, as such, is entitled to only those privileges that the government allows.

Furthermore, several western states have been providing for the escheat of real property owned by Japanese aliens. Since many JACL chapters, especially those in these western states, own and hold real property in the form of buildings and lands, we would be [illegible] viding state prosecution and loss of community property that was entrusted to us by permitting the Issei to become members of our citizen's organization.

While it is true that we are now considering ways and means of decentralizing our organization through increased chapter activity, it must be remembered that the JACL was forced by circumstances of war to concentrate its resources in a strong National headquarters. The wisdom of this action, and the effectiveness of the JACL has been demonstrated time and time again in the real progress made by persons of Japanese ancestry in the United States in the past few years, progress that has evoked the estimate that the JACL has accomplished more in four years than the Japanese government was able to in 40 years.

We do not intend to enter into any discussion on the relative merits of a centralized or decentralized organization for the Japanese of Canada. But we do wish the JCCA every success in their great and responsible undertaking to better the lot and life of all persons of Japanese ancestry in Canada.

Anti-Semitism In Vancouver Golfing

Anti-Semitism is clouding the Vancouver sports scene with a recently-imposed ban against Jewish members by a certain public golf course's public club. This ban will bar many excellent golfers of Jewish faith from competition in several major tourneys in Vancouver.

Said the Vancouver Sun's Pat Slattery in a column condemning the action: "There'll be a goodly number of golfers around town who'll shake their heads and say it couldn't happen here when they read this piece. I can assure you, gentlemen, it is happening and I'll bet a week's pay that nothing will be done about it. It would be the ninth miracle of the world."

QUICK QUOTE

"Fortunately or unfortunately, we are all in different positions and see a subject only where we stand. One of the greatest steps toward better understanding would be to realize that you can't make the person with his face to you see what you see."—Marian Anderson.

Back on the Pacific Coast

By LAWRENCE E. DAVIES in the New York Times

San Francisco.

Nearly six years after a major social and economic upheaval had struck West Coast residents of Japanese ancestry, the Nisei and their alien parents are following a living and work pattern somewhat altered from its pre-war character.

As President Truman in his recent civil rights message recommended legislation settling evacuation claims of Japanese-Americans, and, indirectly, asked for an end to naturalization discrimination against their Japan-born parents, it was estimated that about 60,000 were back on the Coast. At the time the army was engaged in the mass evacuation of all Nisei and Issei in 1942, they numbered just above 112,000 in the Coast states.

Broadly speaking, then, the evacuation and resettlement program, with accompanying factors, has had these results:

(1) It has scattered residents of Japanese ancestry over the country as they never had been scattered before.

(2) It has caused significant occupational changes. Before the war 45.2 percent of the employed Japanese aliens and citizens 14 years or older in the Coast states were engaged in agriculture. This number has been reduced considerably, partly because most of those who leased their lands have been unable to regain control.

(3) It has brought greater social acceptance of the Nisei and broadened their work pattern. They feel this changed attitude. "White collar" jobs have opened up to the women, where before the war they were barred, although this is truer in San Francisco than in the Los Angeles area. There is an unfilled demand for stenographers and secretaries of Japanese descent, for they have proved themselves to be conscientious and industrious. Nisei men are going into manufacturing plants in greater than pre-war numbers. Professional men among them are doing well with racially mixed clienteles. More Nisei employees are seen now in higher class restaurants than formerly. They are gradually getting back their hotel business in Seattle and Portland.

(4) Incidental to the occupational situation, it should be mentioned that the Nisei, and their fathers have not succeeded in regaining their dominant pre-war position in the Los Angeles fruit and vegetable business, both wholesale and retail. That position was the target of widespread criticism among white growers and "middle men," who used to shout "monopoly" at the Japanese.

CONFERENCE IMPRESSIONS

Memories of a Mislaid Weekend

By F.A.M.

The second national JCCA conference is all over. Four days and four nights ... one long heavy week-end. And by the glazed look of the delegates at the concluding session on Monday, the week-end was ... it not quite a Lost Weekend.

Ever wanted to be a conference delegate? Think of it ... a trip to some city in Canada all paid for, three or four days enjoying yourself, meeting all kinds of people, seeing friends ... sounds nice, doesn't it? DON'T KID YOURSELF, brother.

So what do you do when you go to a conference? You have to stay up about 18 to 20 hours a day ... you have to discuss your province's viewpoint and make sure that you will get as close as possible to what the people back home want from the conference. You have no time to go visiting friends ... maybe they can come and visit you to say hello while you have about ten minutes off during session recess ... you spend the train time going to the conference preparing the provincial report and getting your stand all set ... on your way home, you're too damn tired to do anything. You go to a conference banquet ... they pile nice food in front of you ... you're so tired from lack of sleep and continual drain of nervous energy everything tastes like grass and sawdust ... you waste several work days ... spend your own money for personal expenses ... run the risk of getting hell from your local chapter if you have to compromise too much at the conference ... O for the Life of a Conference Delegate.

• • •

This was the first national conference I got a close peek at. Last year, they had it in foreign parts. Good Friday opened the conference, and aptly, the outlook was pretty black. The East versus West feeling was paramount and all the delegates were cautiously feeling their way as the talks and discussions began. But two days and two nights later—on Sunday, Easter Sunday, that is, came the turning point. With all delegates doing their sincere and earnest utmost to reach the happiest compromise, the success of the meet and of the National JCCA was assured.

Sitting through many of the sessions on a hard metal folding chair left many impressions. Some I retain on the part on which I sit, others I noted to present here.

The provincial reports which opened the conference were very interesting, giving a detailed picture of what was going on in each province. My personal choice for most interesting and best-delivered was B.C.'s, by Tony Kobayashi of Okanagan Centre ... but he had lots of competition.

Best laugh of the conference came in Saskatchewan's report when Tom Tamaki asserted ... Ontario also has a Bill of Rights, but Saskatchewan's is better ... Tamaki headed the constitution committee and did an excellent job.

Lots of competition for excellent speaking voices and command of English ... the delegates shone here. Ontario's Eddie Ide, Alberta's Min Takada, past national prexy Roger Obata and chairman Tom Shoyama showed "oomph" voices. The long haul took toll of the delegates though, with only the indefatigable Shoyama holding up ... in the final session, most of the delegates even sounded tired.

Although three of the fifteen delegates were Isseis, they being Alberta's Seiku Sakumoto, Manitoba's Takaichi Umezuki and Ontario's Tokue Kameoka, all discussion was carried on in English with all Isseis contributing their share. Most eloquent was Alberta's Sakumoto, whose command of English would put most Nisseis to shame.

Lots of discharge buttons around the conference table. ... War vets included B.C.'s Kobayashi, Manitoba's Elmer Oike and Bill Sasaki and Ontario's Fred Nogami among the delegates, national executive secretary George Tanaka, past president Roger Obata and chairman Tom Shoyama. ... Kasey Oyama chaired the first day, after which Shoyama took over.

The local press and radio stations took keen interest in the conference. All three dailies, the Free Press, Tribune and the Citizen sent reporters down and printed stories almost daily. The Tribune also sent down a photog and an attractive cut of Tony Kobayashi, Bill Sasaki and Rosie Okuda appeared in Monday night's issue. ... Bob Hikida, Aggie instructor at the University of Manitoba, took time off from his classes to take the conference pictures.

One pleasant diversion — we should have had more—was when Ontario's talented Eddie Ide sat down at the piano on the Marlborough hotel's mezzanine to comply with requests from Messrs. Okuda, Obata and Sakada just before the Sunday afternoon session. ... Ide ably led the Ontario delegation as well as charming all Winnipeg with his music.

Lack of air-conditioning in the conference room didn't help things. Ontario's Fred Nogami especially didn't like the stuffiness and always was the first to peel off his coat. ... Some feminine observers commented on the "cuteness" of B.C.'s Kay Kobayashi. ... Long distance phone calls from B.C. about the developments in the Elections Act revision kept B.C. delegate Seiji Homma going back and forth. ... The B.C. delegation seemed most at home — probably because both Homma and Kobayashi are seasoned politickers compared to the mostly freshman delegations from other provinces.

Quebec's Kay Oikawa was the only feminine delegate ... both she and Rosie Okuda, who attended as Quebec delegate and national treasurer, flew to the conference via TCA.

Guest speaker Dr. Randolph Sakada had some trouble with the current wintry spell in the mid-west, being grounded in Minneapolis on his way, thus not arriving in town until Saturday night—almost two days late. ... The JACL visitor created a very good impression on all. ... "I didn't know Canada at all, but now that I've come here, I find that you are just as American as I am," said he. "We are happy to find that you are just as Canadian as we are," returned Manitoba's Harold Hirose in his speech of thanks. A somewhat doubtful compliment, I thought.

Dr. Sakada's stock of stories appealed. "Just like an American," commented a listener when Dr. Sakada started off his public address with a story to "give everyone a laugh ...". The JACL man told me that he found the accents different, and shopping opportunities for clothes wonderful ... particularly the Argyle diamond socks. ... The conference presented Dr. Sakada with a bison mounted on a plate of native Manitoba marble as a token of appreciation ... the bison is the provincial symbol. ... "I don't know what I did to deserve this," said the American guest. Dr. Sakada was another vet at the conference, as noted by the "ruptured duck" in his lapel.

Most of the work of the conference was done in caucus and in the all-night bull-sessions. In informal give-and-take talks at family homes of local JCCA men, difference were ironed out effectively. This resulted in the smooth success of the conference and the weary look of the delegates at the official sessions during the day.

Tom Shoyama's election as next JCCA prexy came as a happy surprise ... not so much because of his being elected but because of his coming out of Saskatchewan' hibernation to take active part in Nisei work again. One and all agree Shoyama's election will give the National JCCA a definite shot-in-the-arm.

Past president Roger Obata impressed at the sessions with his urbanity and parliamentary savvy. ... Grey has seemed to be the uniform of National JCCA big wigs ... now Tom Shoyama will have to get one.

Nice note of relief was provided in the final day Monday when Naomi Elaine Tsuchiya attended the sessions with her father Harry Tsuchiya. ... The sight of cute Naomi made the delegates ... and forget their ... for a few minutes ... [illegible]

[illegible] ... Monday night to head back home ... They included the Ontario delegation Roger Obata and Saskatchewan's Tom Tamaki. The other delegates spent a day or two getting much-needed recuperation.

Conference secretary Yoshio Hikida, and Mrs. Bill Sasaki and Mrs. Harold Hirose, at whose homes the bull sessions were held all looked as worn out as the delegates after the long haul.

The conference delegates particularly praised Manitoba hospitality. Next year, Lethbridge.

known people, were kept informed of Japanese American problems, and they spearheaded the campaigns to influence public opinion.

JACL Wartime Objectives

"Some of our objectives we set forth in 1943 can be very well applied to your group today," said Dr. Sakada. These are:

1. Restoration of every citizenship right and privilege.

2. Freedom of movement anywhere in the country including the right to return to the Pacific coast.

3. Equal opportunities for employment in industries and government agencies, and membership on an equal basis in labor and trade unions.

4. Defence of attitude, loyalty, citizenship and property rights.

"I am sure and confident," he said "that you will give the best in you to evolve a program which will strive to make the future of Japanese Canadians in Canada brighter and more secure. I'm sure that the ultimate objective for which we are working will be our complete integration into American life and Canadian life so that race and ancestry will not be the basis for judging the value and worth of the individual."

フオラム（續讀）

アルバタの「野の人」へ

二月廿一日のニューカナデアンに「江府生のアルバタを見る」を讀んで驚いたアルバタの野の人が書いて居られる內容は、案の一文を大分誤解されてゐる處があると思はれるので一言お斷りしたい

◇大体を通じてビーシーよりの移動者と歴外な者の際に思はれて居る節があり、移動を餘儀なくされた人の心情に非常に冷淡のやうに思はれる。「住み心地よい家をは結局それに住む人の自己表現になる」と云つてゐる處など、移動者がみな修養の足りない人柄の者ばかりであるやうに叱られたやうな氣になる。然しよく讀んで貰へば、衛生上教育上餘りに無さにすぎる點を意味して居るのであつて移さう者の七八パーセントは調査の結果不滿足を表現してゐた。移さう者にしても永久に住む處でない故に法外な要求をしたのではなく最低限度として希望したのであつた。最共の移さうの自由を束縛して住居共簡のスキスペンスを切下げやうジグワーフスが困つたところに重要點があつたのである。團体運でうの結果、自由移さうが出來るやうになつたので、人並みの待遇をしない雇主の所には人が行かない事になつたので現在はみな立派な家にすんで滿足な生活を送つて居ることは事實である

◇「大抵仕事が奴れいの如くにならねば出ないやうな職と異へて居るのであるが、女子供でも出來る仕事で賄も受負ひ仕事を奴[illegible]かつた人を気の毒に思ふ」と云つて居られるが、私にはさうでもな[illegible]な印象を與へたか不可解である。排斥制樣な奴れいのごとき立場に追込されるのがイヤであつたので移さうの自由を叫んで戰つたとは述べたが、奴れいのやうな氣持で働かされたとは書いてゐないので氣の毒に思はれるやうな變な同情をされるところは一寸もないと思ふ

◇住居移動の自由も組織の大きな力で改善され賃金も組織の力で移さう者の勤勉と忠實がグワワースの信用を得て一エーカー四十弗まで引上られた事は事實である。勿論シュガートに對する政府の補助により値が上つたのも事實であるが、シュガーの値上のみにて、團体交涉なく賃金が上るといふやうな事は、餘り適切な見解とは思はれない。當地にも砂糖大根は作られて居るが一エーカー三十一弗である。勞働者に組織がなくグヮワー一方にファクトリーからの押つけの値であるが、此大きな開きは一体何のためであらうか。云ふまでもなく移さう者の努力と團体の誠實な交涉の結果である。ビーツ勞働はシーズン的な仕事であるが女子供には決して樂な仕事ではない砂地は樂だらうが、レイモンド近傍は雨に降られたら、皆泣くやうな辛さをして居る事は私自身經驗したところである

◇野の人は白人の立場に居る樣な見解にて居られるが、同氏が歸化人であらうと二世であらうと、日系人は一様に他の白人同ようでなく一定の制束の下に居る事を認[illegible]が云へないであらう。お互がカナダがデモクラシーの線にそつて最高の美を誇り得るやうに努力する事が善良なるカナダ人の責任ではないだらうか。野の人も日系人であるなれば、日系に關する事には一ように連帶の責任がある筈で同氏のみが除外されて特別待遇を得るような事は出來ないであらう。しかしお互に揚足をとるやうな事はしたくないので、讀者の判斷にまかせたい（江府生）

リーダーとしての二世諸君に

レツヱルストック親交會を改名してゼーシーシーユーとした事は時代の潮流にそふた喜ぶべき事である。僕は以前から此主張の下に青年層に呼びかけてゐたのであるが機會はなかく熟して來なかつた。然し今考へるとそれは僕の杞憂にすぎなかつた。外面ばかり見て君等の內面を知らなかつたからだ。君等は着々と今日の日の準備のために方針を定めてゐたことを事實が證明してくれた

何れの時代にも新舊思想の衝突はさけられないやうに、或者は青年に會の全權をゆづるのは早計だといふ。然し毎日伸びて行き、又伸びて行かねばならぬ君等である以上、いつまでも斯うした人々の言にためらう事は出來ない。早計だといふ者が全部ではない。財政的にも精神的にも君等を後援する人は澤山あることを常に念頭において進むべきだと思ふ。舊親交會役員が君等に會の全權をゆづつたのも、君等を信用し、問題を解[illegible]に外ならない。云ひかへれば舊親は親交會より保證されたも同然であるのだ

君等はカナダに生れであつても矢張り日系人であり、一世をも含めた日系人として取扱はれる。それを思ふ時同じエッケイ人間の內面的抗爭はさけて、協力し同胞發展のために總ての力を集中して進まなければならない。故に君等は、いつも理想を高くたもち、時々刻刻に變遷する社會問題を凝視し研究して行く氣がまへを持つて同胞をリードして行かなければならない。それは結局に於て同胞社會を明かに引いては立派な市民の資格を作る前提になるのである

理想と現實がいつも遠くかけ離れて居るのは何時の時代も同じである。だから現實に立脚した理想に向つて漸進してほしい。ブッシュの中の一般家にすんで居る僕には詳しい事はわからないが、街の噂を聞いては色々と考へさせられる。殊に小さい子供の行く末を思へば、たとへカナダ人だとは云へ矢張り日系人だ、此子が大きくなつた頃には社會狀態も違つてくるだらうとは想像するもの、過去[illegible]係として何時までも續く事と思遂して居るやうなのを見ると諦[illegible]たらざるを得ない[illegible]同胞は內紙の抗爭を止めて固く結束し、イバラの道を切開いてゆかねばならないが、その先頭に立つて活動するのが君等三世でなくてはならぬ（田舍の人）

各州の問題を共通基礎にて解決

田中書記長ビーシーへ急行、官有林及び選擧權もん題を援助

（ウイニペッグ發）イースター・ウイーケンドにウイニペッグで開催された全加市協第二回全國大會はカナダ各州團體の問題を共通の基礎の上に於て解決するといふ非常に困難なる仕事を達成した。大會を通して代表者のすべてはビーシー州の官有林鐵道問題及び選擧權問題は全國的な重要問題たることを貢獻して、大會終了後直に田中書記長をビーシーに急行せしめ問題解決に全力をつくさせることに滿場一致で決定した（田中氏は三十日夜の汽車でグリンウッドに向ひそこでビーシー市協當局と協力するほか、ビーシー州インテリアの組織をも援助し、五月一日頃ひらかれるアルバタのチャプターの總會にも出席する筈である）

…ーシー

次の大會は一九四九年十一月末にレスブリッヂで開かれる事に假に決定された

州チャプターの自主性確認

大會ではビーシー州政府に對して日系人差別に抗議する事や公正就職法及人權憲章を支持する決議、ビーシー損害賠償要求の範圍擴大運動、ビーシー チャプター特別援助のため相當額を充當した八千七百弗にのぼる豫算可決等があつた。困難な問題となつてゐた州チャプターの自主性に就ては、全國本部當局から「州は規約に反せない限り獨自のプログラムを遂行して行けるので事實上に於てオートノミーを持つものである」と明確にしたので之も解決し、豫算に關しては各州の負擔割當額は單に他州の多數決により決定されるものでない事[illegible]全國本部の經營[illegible]はカウンシルの管理下におかれるものである事が明かにされた。又諮議たるチャプター制度は西部諸しうの強硬なる反對があつた爲に餘りけふ議もされず、將來之に向つて進むよう努力するといふ程度の決議が行はれただけであつた。規約も豫算に就ては最初大きな意見の相違があつたが、之らは四日間に亘る會議中晝夜を分たず代表者に殆ど休息の時間を與へぬ程に度々開かれた非公式懇談會を通して意見の一致を持來した。斯て最初は餘りにも大きな對立があり悲觀的に見られた大會も議を進める程に熱誠とけふ力の精神が強く發揮されて主要なる難問は克服され大なる成果を收める事が出來た

總ての人が責を分擔

大會に出席した全米市協の坂田博士が強調

（ウイニペッグ發）若し權利を獲得するために戰ひが必要であるならば、諸君すべては各その戰ひの一部分を受持たなければならない」と三月廿八日マルボロー・ホテルで開かれたパブリック・ミーチングで全米市協の第二副會長坂田博士（シカゴ）は百名以上の聽衆に向つて強調した。坂田氏は差別待遇と戰ふ運動方策をつくり上げるには各人が其聲を夫れに反撥させると共に各人が其財政的義務を分擔しなければならぬと說き、吾々は人種をもといとしてゐる差別は夫れがいづこに存在するものであるにせよ之を撤廢しなければならぬ、デモクラシーの中では人々は制限をくなしにでも住む自由を持ち、人種の故の偏見なしに彼の能力に相當する仕事に就いて働き得るものでなければならぬと強調し、全米日系市民けふ會の活動を引例して同會の最も困難なる仕事は二ッケイ人自身をして市協の地位と任務を理解させるといふ教育運動であつたと說き、此教育運動での主要性は「日系人自身からの支持がなかつたら、市けふは日系人の代表機關だといふ事は出來ないからである」と指摘した。

又全米市協は全加市けふの如き團体にとつては困難ないの諸名人士の支持も非常に重要であることを述べ「之等の人々の多くは全國的に知られた日系米人問題に通じてゐるものであり、輿論を動かす運動の先頭に立つてくれた人達である」と說明し「一九四三年に全米市けふが打立てた目的の中にはカナダのグループにとつても今日適用出來る事があるであらう」として大の諸項を指てきした

（一）あらゆる市民權と特權の復活

（二）太平洋沿岸への歸還をも含めて國內何處へも動き得る自由

（三）産業界の就職及官公吏就任の平等なる機會、労働組合員となる上の平等の基準

（四）吾々の忠誠、市民權、選擧權の擁護

最後に坂田博士は「日系加奈陀人の將來はヨリ明くし、ヨリ安定させるべく諸君が最善の道を展開させるであらうことを信ずる。そして吾々の努力してゐる最終の目標は、吾々がアメリカ乃至カナダの生活に完全にとけこんで、個人の價値を判斷する上に人種や祖先の事が基礎となるやうな事をなくする事であると信ずる」と結んだ

（ムースジョウ發）まだホステルに殘つてゐる四十六名の移動者に四月三十日までにホステルを立ち退くべしといふマキンソン日本人局長のサインある命令が三月廿四日付で發せられムースジョウの執行史ネイソン、ホステルの監督マキャブ兩氏から各家族の戶主及び獨身者一人々々に交付された。此命令によると殘留者はビーシー沿岸百哩の[illegible]を除く[illegible]をも含めて何處へでも行ける事になつてゐる。獨身者は此命令を受諾する事を拒否してゐるが其結果どうなるかは判らない。ホステル監督命令が通告されたのは之で三回目である（大陸生）

調和を達成した全カ市協大會

日系カナダ市民協會の第二回全國大會における眞の成功は、大會中に可決された多くの立派な決議文の中に於て見られるというよりも、寧ろ事實上に於て、豫想されていた多くの意見の相違を除去して各州代表に於ける明白なる理解に到達し、規約の前文に掲げられている精神を十分に實現し得る全國的團体を打立てたという點にある。

規約の前文には「カナダ中の日系人團体が統合されたる一つの組織として、カナダ市民としての義務と責任を良心的に果そうとする日系カナダ人の政治的、經濟的、社會的福祉増進のために、團体的行動をとり得るようにする事を第一の目的として全國市協は組織されるものである」と言明しているのである。

大會前には、各州の日系人團体は、恐らくは戰時中及戰後の特別な問題と意見に專ら心をかたむけすぎて、全國本部に對して多少の疑念をいだいていたというような傾向があつたかも知れず、そのために相互間には眞の調和は存在しなかつたのである。然し乍ら、大會四日間に亘る代表者の日夜に及ぶ激勞によつて、互に各々の問題を理解し合うようつとめ、妥協によつて共通點に到達しようと努力した結果、只單に表面上の組織体としてばかりでなく、各州が直面している異なれる困難な問題を實際的に理解しあつて、共に協力して進むというところまで到達し得たのである。

各州の代表者間における意見の相違の大部分は、ナショナル・ゼーシーエーの提議する團体のタイプに對する明白なる理解の不足から起つたものであつた。

たとへば、州團体のオートノミー（自主性）を強調する事などは、大會初期に於ける主要問題の一つであつた。此困難は、各州のチャプターは事實上に於て自主性を持續け、全國本部からの指令によつて左右されるという危險はなく、共通の仕事を遂行する基礎となるものは中央集權的な支配によるのではなくて、寧ろ協力を主意とするものであるという事が明白に理解される事によつて解決された。

同じように、豫算に關連して重い負擔が、州チャプターにでもかけられるであろうという恐れも、州チャプターが到底せおいきれず又進んで其負擔を受持とうとするものでないものにまでも、之を負う事を要求するものではないという事が明白にされた事によつて取除かれた。

チャプター システム——各地方の小團体までも全加市協の純然たる支部の形式をとるという制度——は、單に提議されたという以上には進展しなかつた。其理由は、もし斯る制度を強行しようとしたら、西部諸州では餘りにも多くの實際上の困難と反對があつて、如何にそれが望ましいものであつたにしたところで、其制度は今の場合到底實行不可能だと感じたからである。

非カナダ市民がメンバーとなる事を許すべきであるか否かと云う問題は、全加市協本部の選擧されたる役員の資格を市民に限定すべきか否かという問題で附隨的に起つただけであつた。

最初には、日系カナダ人パブリックの如何なる部分をも之れを「差別」しようとする事に對しては、或州々から強硬な反對が起つた。彼等の非難は、シチズンシップの精神に反對するのではなくして、斯る事を規定する事は一世の間に重要なる反對と誤解を引起すであろうという點から提示されたのであつた。こゝでも長時間討議の後、シチズンシップという資格は市協の「選擧される本部役員」にのみ適用するものであつて非カナダ市民が團体のメンバー又はナショナル カウンシル乃至ナショナル エキゼキユチヴ コミテーになる事を禁ずるものではないという、明白なる理解に到達する事によつて妥協は達成されたのである。

（ナショナル エキゼキユチヴ コミテーのメンバーは「出生又は歸化によるカナデアン シチズン」たるべきこと、規約草案にはなつていたが、大會で修正可決された規約では右の「出生又は歸化による」という字句を取除いて單に「カナデアン シチズンス オヴ ジャパニーズ アンセストリー」（日系カナダ市民）となつた。そして此字句は普通に云われる日系カナダ市民であつて、カナダに居住する廣義の日系人を指すところの「含み」をもつたものである事が規約修正委員會では明かにされた。）

大會では、各々の州及び一世と二世の間に理解を招來し得るものである事を明かに實證したのであつたが、同時にこの理解の糸は、あらゆるグループが、特に團体の初期において、協力的な態度を示さないかぎり、容易に斷ち切られるものである事をも暗示したのであつた。

大會ではまた、日系カナダ人自身の教育——各系ニッケイ市民けふ會に於ても認識されている如く見ゆるところの——の必要が大にあるという點も強調された。

大會に於ける調和の達成は、各州代表各々の異常なる能力の結果によるものである。吾々は、ニッケイ加奈陀人團体の悉くが、ゼーシーシーエーを支持する事を切望せざるを得ない。彼等の支持によつてのみナショナル ゼーシーシーエーは、ニッケイ加奈陀人がカナダの生活に完全に同化融合する途上に横たわる多くの問題を解決する上に大なる働きをなし得るであろうからである。

アルバタ政府も確認
移動日系人を恒久居住者として扱ふ

（エドモントン發）アルバータ州に居住する日系人總ては三月三十日から州内の他の居住者と同樣に取扱ふとマンニング首相は三月廿七日發表して、既にオタワ政府の勞働相が聯邦と州兩政府間に新しい協約が成立したと發表してあつたのを確認した。一九四二年の最初のけふ約では、アルバータ州政府は戰爭中の日系人移動者を一時的居住者として受入れ、戰後には再び他へ移すと云ふ事になつてゐたのであるが、今回の新けふ約は次ぎのごとくである

▲日系人をアルバータ州の恒久的居住者として認める、しかし一九四八年三月三十一日から向ふ二ケ年間は聯邦、州兩政府は日けい人の救濟とウエルフェアの費用を平等に分擔する

▲一九五〇年三月卅一日以後はアルバータ州政府が全ての責任を持つ

同じような協約はビーシー州政府とオタワ政府との間にも成立つたが、此方ではオタワ政府は聯邦の基礎で、ビーシー州政府が日系人生活不能者援助及びニッケイ學童の教育費に支出する金額だけを聯邦せいふは負擔するといふ取きめである

貨物運賃一割引上げ

（オタワ發）カナダの鐵道會社からフレート賃三〇パーセントの増加を要請してゐたのに對して運輸委員會は鐵道フレートの大部分を二一パーセント引上る事を許可した。二週間以内には實施される模樣だが此決定に對しては猛烈な抗議がありアッピールが行はれるやうなので或は延期になるかも知れない。運輸委員會決定の主なる點は次ぎの如くである

△フレート・レートの増加はエキスプレスに對しても適用できる

△石炭の運賃は二五パーセント引上る

△カーロードの最低料金は百パウンドに對して七十五仙とす

△フォートウイリアム以西の小麥類輸送、平原州からビーシー州の港灣への輸出小麥類、西部カナダにおける小麥類及び飼料穀類の國内消費分の輸送賃は右の増加から除外する

バター貯藏で大儲

（オタワ發）最近數ヶ月間におけるバターの値上りでカナダ・パッカー會社は貯藏バターに對し全く前例のない大儲けをしたと同社の物價調査委員かいで述べた。大體一ポンドにつき一・二仙儲かつたがそれは當り前のやり方でひとりでに利益があつたのであつて會社としてはどうする事も出來なかつたのだと社長は言張つてゐる

▲オタワ政府のアボット議員はビーツグロワース協會から進言したカナダのビート糖業振興策を拒否した。ビート耕作者側では、政府の政策の故にケーン・シュガーはビートシュガーに比して百斤十九仙の損をしてゐると主張してゐるのである

シービーアールの免税規則を廢止

（ウイニペッグ發）ウイニペッグ市會は、シービーアールに對する市税を免除する事になつてゐる一八八一年のバイローを取消す決議を通過して州議會の是認を受ける事になつた。此バイローは當時僅百三十人の納税者によつて通過されたもので、市側は會社から或種の利益を受ける代りに市税は永久に免除する事になつてゐたものである。免税廢止となれば市税は一年八十萬弗餘の増收となるがマニトバ州議かいでは右の申請を拒否してゐる

日本食料品値上げ

別項モントリオールの吉田萬歳商店の廣告及同店よりの情報によると日本物食料品の原價は今春三〇乃至四〇パーセントの値上り（小麥粉に對する政府の補助廢止、大豆及小麥の値上り等から）となつてゐて、東部に於ける現在の賣價の中には西海岸製造業者のエフオービー値段よりも低いものがあるさうで、吉田商店では現在の持荷を賣盡したら食料品取扱ひは止めるので早目に求めれば徳だと廣告してゐる

米食民の榮養向上へ

國際連合アジア食糧會議から勸告

國際連合食糧農業機構のアジア食糧會議は三週間にわたつて問題を審議した結果次の諸策を勸告する事になった

（一）印度洋、太平洋漁業會議を設置、國連加盟國は東南太平洋、印度洋を中心とする莫大な未利用資源を開發利用するため研究資料を集め、自然條件利用に就ての便宜を設ける

（二）アジア米食國民の榮養水準を高める方法に就ての國際的研究に協力する、此ため全アジア的學童に無料給食を行う事、精米方法に就て更に効果的な方法を研究する事

（三）國際米穀かい議を設置して米穀增産に關するすべての問題につき協力研究する

（四）極東米穀調査委員會を設置して利水、肥料、機械化農法などの技術問題を取扱う

（五）米穀完全貯藏運動を實施し、食糧農業機構加盟各國は蟲害や貯藏方法の不備から起る米の損失を少くするようにつとめる

（六）戰爭による破壞と役畜不足のため現在アジアで遊休地となつている約六萬ヘクタールの農地を開發する

若しこの際急速に效果てきに傳道すればキリスト教は日本の終世の友となるであろう、ニッポンの小中學は高度の能率をあげて運營されておりキリスト教會は日本では大學專門及び職業教育機關を中心に活動すべきだ

また適當なニッポン人牧師が傳道に專念できるようにしなくてはならない、日本は生活費が高い爲牧師は教會外の內職に追われている

先生はイヤ

食はないから

（大阪發）「先生は食わない」という定說を裏書するように師範學校の入學試驗に集まる志願者の向きは少い事——日本の次の世代を築く者は教育だと知りながら既成の先生方は『現狀では教師の生活が保てない』と云い未來の先生達は今からしりごみしている、六・三制がしかれて今後の初等教育はことに女子の先生が必要な時でこの師範學校でも女子の志願者は定員の一割といわれ方だと云う、

右につき大阪市師範では

何と云っても教員の待遇問題が大きな原因になっています、二大募集をやるので男子はどうにか定員はうまりますが女子部は一割しかない、困つた現狀です育給費も今では年額三百圓、月にしたら二十五圓にしか當りません、四年の課程をこれで過ごす事を考えたらだれでも二の足をふむはずです、もつともいま文部省へ申請中でこれでもゆつくり勉强できるとは云わせませんが生徒も少しは樂になると思います

ペニシリン時代は過ぎた

もう腸炎やけつ核退治に効力ある新藥

（大阪發）ペニシリン時代はすぎた、ストレプトマイシンもう古い、と云う新しい抗菌性物質が發見された、阪大工學部醱酵科の中村遠教授の一昨年からの研究になるもので、從來肺炎や淋病などの球菌にきいたペニシリンも大腸菌や結核菌などのカン菌にはきかず、ストレプトマイシンはカン菌にもきくが副作用などの點でまだ十分醫療には供し得ない、中村教授は納豆菌から新しい抗酸性物質（ペシトラシン）を抽出することに成功、阪大醫學部外科中尾、藥物科竹越兩講師の臨床實驗によれば、[illegible]菌や結核菌にも絶大の効力のあることが發見されており、また從來不治とされたライ菌にも効果のある事が試驗管の實驗で實證されている

恐ろしい歴史の宿命（二）

シオン運動とアラブ二千年の主張

パレスチナ問題というのは昔はなかつた、世界に散布するユダヤ人の中の敬けんなものだけが、「嘆きの壁」を訪れるに止まつた

ところが現世紀の初めにオーストリヤのユダヤ人でテオドル・ヘルツルと云う男が「シオンに歸れ」と云う運動、即ち英語でいうザイオニズム運動を起した、動機はフランスに起つた有名なドレイフユス事件であるが、其話は略すとして、ザイオニズムは世界中のユダヤ人の興味に「先祖の國」パレスティナに對する强いあこがれをよみがえらせた、宗教的でなく、政治的によみがえらせたのである

○

彼等は先祖の國に歸つてもう一度二千年前のユダヤ國を建てたいと考え出したのである、最初は微々たる運どうで、世人もユダヤ人の氣まぐれぐらいに見たのであつたが、ユダヤ民族が世界的勢力をにぎるにおよんで此の運どうも非常に强いものになつた

そこでだが、此の運どうには重大な故障があつた、パレスティナは此二千年間空家ではなかつたと云う事である、ユダヤ人が世界に四散した後アラビヤ人が主人公として二千年間パレスティナに住んで來たと云う事實である、二千年と云う時間は短い時間ではない、昔はユダヤ人の國であつたにせよ二千年もの間ユダヤ人から抗議される事なしにパレスティナを領有して來たアラビヤ人が、それを自分等の國であると主張する氣持もわれわれに分る、茲に於て問題は面倒な事にならざるを得ないのである

○

ザイオニズムに一時期を畫したものは第一次世界大戰である、世界の財源・事業界に君臨するといつてもいいユダヤ人は財的に連合軍を大いに助けた、それだけではない、英國の猶太人でザイオニズムの最高指揮者ワイズマンと云う人は世界てきな科學者で、戰爭中英國の戰力が低下して非常にあぶなかつた時、一種の爆藥を發明して英國を危機から救つたりもした

つまり英國はいろいろの意味で猶太人に助けてもらつたのである

其恩返しとして世界に發表されたのが、パレスティナを猶太人の郷國（ナショナル・ホーム）にする事に努力しようと云う約束、即ち有名なバルフォア宣言であつた、ところが英國は他方において獨逸の同盟國トルコを攻くずすためにアラビヤ人（當時アラビヤはトルコ帝國の一部であつた）と同盟して反亂を起させる必要から、戰勝の上は大アラビヤ國の建設に努力しようという意味の約束をしたのであつた

戰爭の苦しまぎれに一地域を兩民族に約そくした形であるが英國も大きなアラビヤ半島中の猫たるパレスティナがこのような恐ろしいガンになろうとは思いおけなかつたことであろう。

ENTER B COMPETITIONS NEXT YEAR

JCCA-All Nations Entry Take Toronto Church Shuttle Title

TORONTO—In their second year of competition in Toronto inter-church badminton, the JCCA-Church of All Nations entry fought down all opposition to take the title of Toronto and District Inter-church League "C" section champions for the 1947-48 season.

The Nisei shuttlers faced Trinity United in a two-game total-point finals on March 17 and 23. First night of play on home courts saw the JCCAers emerge safely with a 15-9 decision. The second night of play on Trinity courts brought tougher opposition and many more closely-fought matches that ended in a 12-all tie, to give the JCCA players the title on the strength of their first night victory.

During the home-and-home game series, the ladies' doubles teams of Kay Ogaki-Amy Kitamura, Fumi Kitamura-Teiko Kishimoto, Dot Matsumoto-Chiz Fukusaka were shellacked and outplayed, 12-0. The men's doubles teams of John Tanaka-Frank Matsui, Ken Fukusaka-Junji Ikeno, Mi Akiyama-Tom Iwasaki and Matt Matsui-Luke Tanabe almost made up for the ladies' losses with a 11-1 conquest.

The margin came in the mixed doubles series, in which the usually strong JCCA team did not seem to click so well, especially on the final night when five teams split their matches. But the total 16-8 score gave the Niseis the "C" championship. This win automatically advances the JCCA Church of All Nations shuttlers into "B" competition in the T. and D. Church league next season.

SHUTTLE TALK: As expected, the teams met their strongest opposition in the finals. . . . It was the third time that the JCCA ladies' doubles teams took a shutout score. . . . Four Trinity femme players tower close to 6 feet . . .

The final night's 12-all tie added up 274 individual points for JCCA to Trinity's 271 which shows what a close fight it was! In the four playoff games, against Deer Park United in the semis and Trinity in the finals, records show that the ladies' doubles won 8 and lost 16, men's doubles won 23 and dropped only one, and mixed doubles won 35 and lost 13. We hear that a cup and individual crests come to the champs.

As the Niseis finally make history in Toronto league play and as we write finis to league matches, we look forward to the T. and D. Interchurch Badminton Open Tourney, April 5-8, at the Carlton Club. We also look forward to the exhibition game set tentatively for Friday, April 16, with the "B" champs, Christ Church's number one team. Hope that our win doesn't scare away any Nisei players from competing in the coming All-Nisei Open Shuttle Meet.—T.H.

London Cagers Drop Game to Empress United on March 19

LONDON, Ont.—London Nisei Organization's entry in the city church league came a cropper when the Empress United quintet really went to town to defeat the Niseis, 40-30, on March 19, at the King St. gym.

The Niseis played their usual [illegible] and hard-fighting game but the breaks were against them in a poorly refereed wide-open game. Excitement ran high at the half when the score was tied 14-all. Niseis took the lead in the third quarter to draw ahead 23-18, but the Empress hoopsters came back and went away with a big [illegible]-point win.

Bob Nunoda scored four baskets for 8 points, while Art Obokata and Fred Sunahara shared second place honors with 7 points apiece. One more league game with Wesley United is scheduled before playoffs in April.—T. Fushimi.

BIG ENTRY EXPECTED FOR TORONTO JCCA SHUTTLE MEET

TORONTO — Climaxing a highly successful season, the Toronto JCCA Badminton Club will sponsor the First Ontario Nisei Open Badminton Tourney on April 27-May 1 inclusive, on the spacious gym of the Metropolitan United Church. On week nights, play will commence at 8 p.m., while the finals will start at 1 p.m. on Saturday afternoon, May 1.

Three events, Men's Doubles, Ladies' Doubles and Mixed Doubles, make up the tourney. With at least 150 Nisei shuttle artists in Ontario, a large entry is expected. An entry of at least 60 players is necessary to make the meet a success. Tats Harada heads the tourney committee of Johnny Tanaka, Matt Matsui, Ken Fukusaka and Junji Ikeno, with Jimmy Kumagai assisting at Metropolitan and Ed Tsujimoto at St. Francis Xavier.

Special provisions for out-of-town players have been made allowing them to start play on Friday night, April 30. Prospective teams are urged to send in their entries with fees as soon as possible to Tats Harada, 147 Seaton street, or Matt Matsui, 335 College street. (Phone Midway 9633) stating: Event, Name, Address and Phone.

TOURNEY RULES

The tourney rules are patterned after the Toronto Inter-church Tournament so that all players regardless of ability, play in the "A" class in the first round, and losing teams in the first round automatically go into the "B" class. If a team is unfortunate enough to lose in two straight rounds, it is eliminated.

All events will be two out of three sets of 15 points, set at 13 and 14. The entry fee is $1.50 for one event and $2 for two events. Individual cups will be presented to the six "A" winners while medals will be awarded to the "B" winners. Closing date for entries has been set for Saturday, April 24, with the draw to take place on the following day.—M.M.

MANITOBA HOOPERS TOO BIG

Yamabe, Yahiro and Hirose Star To Vanquish Alberta

WINNIPEG—Manitoba easily swamped Alberta, 52-22 and 45-32, in the two-game interprovincial Nisei basketball series played here at the Y.W.C.A. gym on Monday and Tuesday, March 29-30. Under the capable field generalship of Jon Yamabe, the Winnipeg All-Stars led all the way in both games and were never troubled by the hard-fighting visitors.

Frank Yahiro was individual star of the first game with a brilliant "on" night total of 16 points, the highest piled up by any player in the series. Alberta's mighty mites Aki Oshiro and George Saito kept their team punching, but the whole squad was "off," missing most of their shots and failing to complete front court passes.

Big advantage in the series was Manitoba superiority in height. In the Monday game, both backboards were controlled by the locals and accounted for the 30-point margin. The smallness of the Alberta forwards, excepting 5-foot-10 Kiyo Moriyama, made it easy for the Manitoba defence to stop the Alberta under-the-basket attacks. Jon Yamabe and Tak Hirose also boosted the Manitoba total with 13 and 12 points respectively.

George Saito piled up eight points while Aki Oshiro netted six points to lead Alberta scoring. Potent Joe Toyama, who is named on the first-string All-Stars of the Southern Alberta High School "B" league, didn't get started at all.

• • •

Tuesday's game was more of a crowd-pleaser. The Manitoba machine showed some roughness, and Alberta rallied to make things more interesting. Sniper Tak Hirose shot in 15 points to lead the scoring parade for Manitoba, while tricky Aki Oshiro hit the hoop from all sides for a fat 11 points for Alberta.

With the large Manitoba crowd mainly cheering on Alberta, the gym went into an uproar when the diminutive visiting forwards like George Saito, Sets Miyashita and Aki Oshiro slipped through the strong local defence. Joe Toyama came into form and sunk eight points for Alberta. The smaller Albertan guards also put on a fancy display of checking with youngster Jimmy Kanashiro especially showing polish.

Mac Otsu scored eight points and Jon Yamabe flipped in six points for Manitoba. Fouls abounded in the second wilder tilt, with Alberta's Joe Toyama being bounced in the final stanza on five personals, while Manitoba's Yamabe, Yahiro and Henry Sugiyama each picked up four.

FROM THE SIDELINES: The big Manitoba edge surprised pre-game dopesters. In the first game, Manitoba showed complete control of the play, while Alberta looked very ragged. Explanation given by Joe Toyama and Aki Oshiro is that the visitors had not all played together before—at least recently—and the kinks had not been ironed out. Alberta showed fancy ball-handling skill but had a tendency to do much dribbling and slow down the attack. Manitoba broke fast on the defence to catch Alberta guards napping too often.

George Saito made the top impression of the visitors with the screaming crowd. Only about 5 foot 3 or 4, the little youngster got away from the huge Manitoba guards time and again with his lovely hook shots. Guard Aki Oshiro, also a Southern Alberta High School "B" All-Star, was the keyman in the visiting lineup.

Manitoba stripped in maroon and white outfits borrowed from a Salisbury House team, while the visitors wore dazzling blue-and-gold Coaldale High School Gophers uniforms right down to jackets. The Winnipeg Free Press ran a picture of the Manitoba lineup and a story heralding Winnipeg All Stars for taking the mythical "inter-provincial championship."

The Albertans emphasized that theirs was not the best group of players in Alberta since there are players like Mikado of Magrath, Yo Nishimura and others who were not able to come at this time. But with capable Jon Yamabe at the controls, the Winnipeg All-Stars looked as if they could take on anything that Alberta has to offer. Don't anybody mention baseball, how, because Alberta definitely shows superiority over Winnipeg in that game.

Financially, too, the Winnipeg Basketball League managed to get things off in the black, the successful national conference dance yielding about the largest amount ever made at a Nisei dance in this city. Many of the basketball league members spent a lot of time helping the visitors enjoy their stay in Winnipeg. All players were billeted in private homes.—P.

HAMILTON BOWLING RESULTS

HAMILTON, Ont.—As the Hamilton Nisei Mixed Bowling League nears the end of the schedule, Gyros and Dominoes are closing in on the pace-setting Head-Pins. Head-Pins have 26 points to be two ahead of Gyros and three in front of Dominoes.

Head-Pins took 3-1 from Debonairs but Ken Hashimoto's up-and-coming Bluebirds swept the powerful leaders 4-0, to make the race close. Tosh Amira's 633 and Koji Ooe's 674 led Strikers to a 3-1 decision over Comets. Other 3-1 scores were No-Names over Lucky Stars, Aces over Wildcats, Bluebirds over Hot-Shots, Silhouettes over Dynamos and Wildcats over Debonairs. Boston Wins Montreal Cage Meet

TORONTO — On late Sunday night, March 28, two Toronto basketball teams, the Mustangs and the Bombers, with their two busloads of supporters returned from a torturous 800-mile round trip to Montreal somewhat disconsoled.

MONTREAL TOURNAMENT SCORES
Friday, March 26
Mustangs 35, Montreal 28
Boston 36, Bombers 26
Saturday, March 27
Bombers 33, Montreal 16
Boston 32, Mustangs 31

The Toronto teams brought back a total record of 2 wins and 2 losses, but the trip itself rather than the games really defeated them. The Toronto basketball league made the mistake of holding a dance right before the beginning of the trip. Then travelling by night right after the dance killed the players chances of getting much-needed rest for the tournament. Without much sleep for two whole days, our teams went into the tourney completely exhausted and almost falling over from lack of sleep.

On Friday night, the first night of the tournament, Mustangs were so tired they were barely able to crawl on the floor. Because of this, they were almost defeated by the inexperienced but fresh and fighting Montreal five. Mustangs just managed to scrape up a 35-28 win.

Bombers put up a better fight, showing a little more pep than the Thin Men, but bowed out to the fast Japanese Americans from Boston, 36-26. This game was a real close tussle with both teams fighting neck to neck. The game was not decided until the last minutes, when Yuk Hibino of the Americans, who put on practically a one-man show on both nights, began breaking away with the fastest dribbling ever seen in a Nisei, shooting on the dead run.

Bombers displayed a decided edge in the play and the game might have been a different story had they met in the second night instead of the first.

On the second night, Saturday, March 27, with the visiting teams well rested up, Bombers made up for the miserable showing of the Mustangs the night before by swamping the hosts 33-16 in a consolation match.

Mustangs tried to return the favor, but missed out in dropping a close 32-31 tussle. The unfortunate Mustangs always seem to lose out by one point in a crucial game. Again it was Yuk Hibino who beat the tall men. He scored 14 points on each night with his fast dribbling and his one-hand shots on the run. Hibino, however, was poor on set shots, missing all but 4 of his 21 free throws.

The Boston team lived up to the American Nisei calibre expected by our Canadian teams. But the Toronto teams somewhat overestimated the Boston squad and underestimated their own power too much. It was proved that our Canadian standard is quite up to par with the average American level and our All-Star team should give a good match with any one of the American Nisei outfits.

Boston were really dead set to win this tourney and even brought up some New York City Nisei players. After the Bomber game, the Bostonians, who are actually Californians and Hawaiians studying in Boston colleges, remarked that the Bombers are tougher than the New York Nisei team.

These Americans were more or less individualists. They pounce on the ball with remarkable agility, hogging it and dribbling like mad. It was the fastest dribbling exhibition we've seen in Nisei basketball.

But our Bombers shone with their smooth teamwork. The Palestre Nationale gym was narrow and long and bottled up the under-the-basket skill of the Bombers.

This Boston team had also been invited to the Chicago Nisei Invitational tourney which Toronto had been asked to. They also had to decline the offer.

* * *

It is regrettable that the Toronto league was forced to refuse the Chicago invite. The Chicago Nisei Athletic Association had honored the Queen City on March 14 with a specially-delivered invitation to take part in their huge annual Nisei Basketball tournament, held on April 17-18. We were eager to go but unavoidable circumstances like exam time for the student players and other personal matters prevented the formation of an All-Star team that could accept this invite.

The fact that the league also had prepared to take part in the just-completed Montreal tourney added to the obstacles to the venture since big holes had been drilled in the players and league's pockets. Other cities invited to this super cage tourney were Cleveland, Detroit, Denver, New York and Seabrook. Toughest teams to beat, according to reports, are the Denver and Chicago fives.

Next season, the Toronto league will be concentrating on the Chi tourney and will be prepared for it.

TID-BITS—The Montreal Canadiens-Toronto Maple Leafs rivalry seem to have seeped into this tourney. All Montrealers, it seemed, were cheering for the home team and for Boston. They were certainly overjoyed when Boston took Mustangs by one point in the tourney final. This game was as close as the score indicates and could have gone either way . . . If Herby Miyazaki hadn't missed his last shot, Mustangs would have won by one point.

Boston had one good-looking player in Larry Sugiyama wearing number 3. All the girls were agog about him . . . After the murderous journey on rough Canadian roads the Torontonians are saying "Never again," at least by bus, anyway . . . Sechoye Tsukamoto recovered from the illness which kept him out of the Toronto finals and played one of his shining performances that really impressed the French Canadian official who kept score with yours truly. This official also wanted to have either Mustangs or Bombers play his French Canadian Nationale team of the Montreal Intermediate League.

The absence of Coach [illegible] who did not accompany the team, was sorely felt by Bombers who lacked their usual punch in the wing. The tallness of the Miyazaki brothers had the [illegible] ref and officials speculating that they had never seen Japs that tall before . . . Montreal stars were Kaz [illegible], Bruce Yamashita, and George Fukuyama. Fukuyama is younger brother of Fudge Fukuyama, Vancouver's all-round star athlete and Britannia high school senior football star who was stranded in Japan during the war . . . We would like to extend our heartiest congratulations to the winning Boston team. We hope to meet them again some time.

TOYOTAS SHUTTLE IN KITCHENER TOURNEY

KITCHENER, Ont.—In the Ontario Badminton Open Tournament held here recently, Bob Toyota and Mas Toyota were eliminated in the first round by finalists Jack Muir and Bud Porter. The Toyota brother team also lost out in the first round of the consolations in a close set. This was the first experience the Nisei duo had of tournament play.

In the Kitchener club tournament, Bob Toyota won the consolation singles, and went on into the doubles finals teamed with Bob Ferguson. Mas Toyota and Gord Kerr are in the consolation finals against Miss Toyota and Frank Carney. The latter team almost caused an upset in the club tourney by forcing the favorites to 15-13 and 16-15 games.

In the mixed doubles, Mas Toyota and Mrs. Mason defeated Bob Toyota and Ruth Reid in the third round to go into the finals.

The three Toyota brothers will also enter the Nisei invitation tournament in Toronto during Easter, along with other Southern Ontario [illegible].

Manning Pledges Equal Treatment For Evacuees

EDMONTON—Premier Manning disclosed on March 27 that all Japanese in Alberta will receive the same treatment as other residents, beginning March 30. He thus confirmed Labor Minister Humphrey Mitchell's earlier announcement that a new agreement regarding the Japanese had been made between the federal and provincial governments.

Under the first agreement made in 1942, the Alberta government agreed to accept the Japanese evacuees from the Pacific Coast as temporary residents, with the proviso that the federal government would undertake to remove them after the war.

The new agreement proposes to make the Japanese permanent residents, but for a two-year period following March 31, 1948, the federal government and the Alberta government will share equally the cost of education and welfare assistance for the Japanese.

After March 31, 1950, Alberta will take sole responsibility.

A similar agreement has been made between British Columbia and the federal government, providing that the dominion will match, on a dollar-for-dollar basis, British Columbia's contributions toward social aid for indigent Japanese and toward education of Japanese children.

Holdouts Asked To Vacate Camp

By GENICHI OHASHI

MOOSE JAW, Sask. — The 46 evacuees who are still holding out at the department of labor hostel, four miles south of the city, were again served with notices to vacate the camp. The orders were served by A. W. Nairn, Moose Jaw bailiff, and Jack L. McKillop, camp supervisor, on March 24.

The orders issued to all heads of families and to each of the single men bore the signature of J. F. MacKinnon, commissioner of Japanese placement in Vancouver, and set the deadline for April 30.

Under these orders, the holdouts are permitted to move anywhere in Canada including interior B.C., but not the 100-mile coastal strip.

The single men at the camp refused to accept the orders, which were left strewn on the floor of the camp, while no comments were available from others.

Michael Hoshiko Wins $450 Award

OBERLIN, Ohio — Michael Hoshiko, son of Mrs. T. Hoshiko, of Montreal and formerly of Surrey, B.C., has been awarded a $450 scholarship for graduate work in psychology at Oberlin College.

Mr. Hoshiko has been attending the Heidelberg College, Tiffin, Ohio, for the past two years on scholarship, and will graduate this June with a major in psychology.

Franchise Bid For Orientals Defeated

VICTORIA, B.C.—The resolution by CCF Leader to enfranchise all Canadian citizens who have been in B.C. six months was rejected by the special house committee on the Election Act by a 5-2 vote on March 23.

The committee's vote did not end the matter since there is a resolution on the same matter on the order paper, and will be considered by the legislature, it is reported.

Mr. Winch's only supporter was another CCF member, Herbert Gargrave. Opposed were Chairman Thomas King (Columbia), C. W. Morrow (South-Okanagan), John Cates (North Vancouver), and Don Brown (Vancouver-Burrard), all coalitionists.

The section of the act which Mr. Winch would have deleted, now disqualifies every Japanese, Doukhobor, Hutterite or Mennonite unless they are veterans, also every Indian, not a veteran, or who has not been enfranchised under the Indian Act or because he is not resident on an Indian reserve.

Price Rise Predicted In Japanese Foods

VANCOUVER, B.C.—A 30 to 40 per cent rise in the Japanese food stuffs is expected this spring according to manufacturers of oriental food products here.

The price of flour used in noodles has almost doubled with the lifting of subsidy, and this rise will no doubt be reflected in the higher prices to customers, it is reported. Shoyu is also expected to rise in price since there has been a 30 per cent rise in the cost of beans as well as increases in other ingredients.

At present, the selling price on some Japanese commodities is lower in Eastern Canada than the manufacturers f.o.b. price being quoted on the coast.

Sumi Homma Is Winner Of Miss Winnipeg Title

WINNIPEG.—Vivacious and merry Sumi Homma, 21-year-old ex-Slocan lass, was chosen Miss Nisei Winnipeg at the National JCCA Conference Dance on Saturday, March 27, at Royal Templars Hall. The 5-foot-two Niselette, well known jazz vocalist, was the final choice of the five judges, three male and two female, who appraised all girls attending the dance for personality, attractiveness, and smart appearance.

Elmer Oike, president of the Manitoba JCCA Nisei division, crowned Miss Nisei Winnipeg and presented her with an inscribed cup in token of her title. Runner-up was pretty teen-ager Joanne Shigeta.

As a finale to the coronation ceremony, the lucky Nisei division president danced with the Nisei queen while crooner Tak Hirose sang "A Pretty Girl Is Like a Melody" to Alice Nakauchi's accompaniment. As an encore, Hirose offered "Night and Day" to an appreciative crowd.

One of the largest dance crowds seen in Winnipeg Nisei circles attended the dance to enjoy, as well as the suspense-filled Miss Nisei Winnipeg contest, the pianistics of Eddie Ide, London Nisei organization president and Ontario JCCA delegate. Ide played "Stardust," "Opus 1" and "Anniversary Song" to an audience that yelled for more.

Conference guest speaker Dr. Randolph Sakada, of Chicago, also spoke, telling a well-received story about Shetland ponies.

In the novelty coke-drinking contest, the couple of Masako Hikida and Ebon Kojima won out over Sachi Nishihara and Jimmy Sugiyama by virtue of the absorption properties of Kojima's suit. Use of the PA system was donated by Tom Mitani of Goodwill Radio. Frank Moritsugu was master of ceremonies.

Lucky door prize winners were: 1. Kas Okano, 2. Mickey Hayashi, 3. Ed Ide (London, Ont.), 4. Tom Mitani, 5. Sue Nishi, 6. Dick Okumura, 8. George Hirose, 9. Sam Fujii, 10. Bob Hikida, 11. Kar Kobayashi (Kamloops, B.C.), 13. Jack Goto and 14. Mrs. Murakami. Prizes 7 and 12 were not claimed, the ticket numbers being 182 and 75 respectively. Holders are asked to contact H. Hirose, 68 Kate St., phone 21 434.

Mr. Foy was accompanied by Mrs. Foy, while Mr. White was not present at the dance. A token of appreciation was presented to Mr. Foy.

There followed a mad scramble during the egg hunt, and Lumie Ryoji and Mrs. R. Masuda won the prizes for finding the most eggs.

The dance was honored by the presence of several out-of-town guests. Among them were Amy Nishizaki, Tam and Tak Ozaki, Art Obokata and Bob Nunoda from London, and from Toronto were Fumi Okuba, Ryoko Sato, Mits Ida, Tosh Masuda, George Watanabe and Arnold Arai.
